Improvement

PROJECT DESCRIPTION

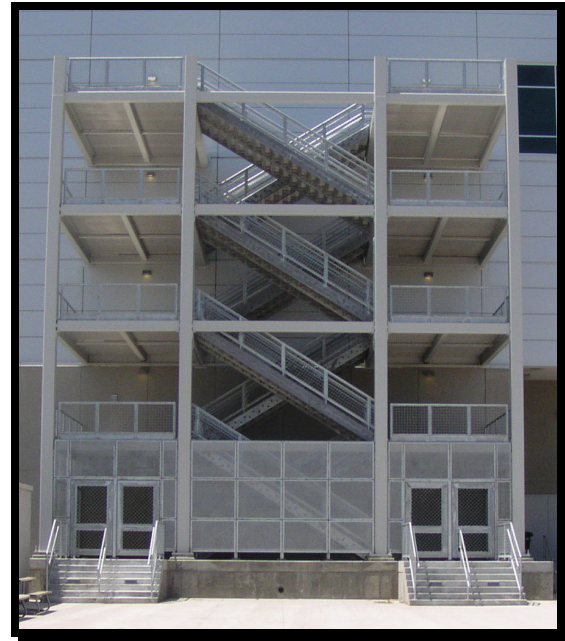

Project: Qwest Center
Omaha, NE

Owner: Metropolitan
Entertainment and
Convention Authority
(MECA)

Contractor: Kiewit Construction

Scope: Stairs and Rails

Size: <\$3,000,000.00 furnish
and install - bonded

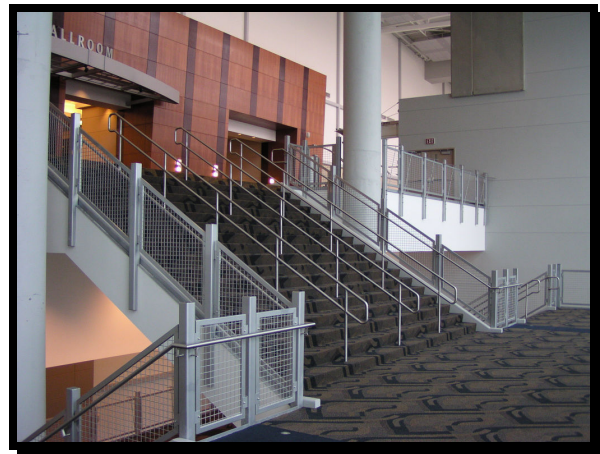

PROJECT DETAILS

Project required us to furnish and install 24 stair towers; the 3 exterior towers are made of galvanized tube steel stringers with aluminum grating treads and wire mesh railings. The grand stair is 21'-0" wide and was shipped in 2 sections.

CWF also supplied and installed the aisle and vomitory rails throughout the arena. Some of these rails required shop application of an automotive finish paint system.

As a late edition to this project, CWF also furnished and installed the catwalk grating suspended from the arena roof trusses.
